FROM A TECH FEAST TO A DANGEROUS BEAST, ALL IT NEEDS IS A FEW SECONDS

Drones have taken to the sky like never before. They are unmanned and therefore, can be very dangerous.

Drone Insurance:

Drones? Yes, drones insurance.

Drones have taken to the sky like never before. They're unmanned and therefore can be very dangerous.

They aren't cheap to replace on one hand and accidents may happen damaging the third party property or injuring a human being.

So would you not want to secure drones that have become core of your business?

It is like any other vehicle in your business which you secure, whereas drones' related accidents can get more dangerous than any other.

At Oasis Insurance, we have you covered when it comes to protecting your drone. We will help to find out if yours is covered by your home insurance policy or not.

We will go over the things you need to be aware of when it comes to having, or not having, insurance on your drone.

Let us guide you in making sure your drone coverage soars.

A Company with Appeal

Oasiss Insurance was truly designed with the customer in mind.

Oasis Insurance was truly designed with the customer in mind. Established in 2005, the company began to expand with aggressive business strategies and focus on improving and simplifying the customer buying journey. Although we have grown tremendously, we still hold to our belief that the customer is always at the heart of the business and the reason for everything we do.

Through advancements in more efficient systems and procedures, Oasis has made improvement to serve its customers. It has made doing business easier and have made business transactions more flexible.

Oasis Insurance operates with the philosophy that the customer is number one. It is not just something they say, it is the root of all they do.
